

MEMBERSHIP

STAR, Inc. is a membership organization supported by Annual Memberships. Your membership investment helps us to continue our important work to improve the lives of people with IDD. As a member, you count as a voice for STAR and you make us stronger when we seek government and foundation funding or support from our legislators.

As a STAR member, you are a complimentary member of The Arc CT and The Arc US, our advocates in Hartford and Washington D.C. to protect and enhance the quality of life for people with IDD and their families. STAR is proud to be Fairfield County's affiliate of The Arc.

Your membership also gives you an invitation to attend and vote at our Annual Meeting when we elect our Board of Directors and decide the future of our programs and services. In addition, you receive timely news and invitations to our special events.

Although memberships typically follow our fiscal year (July 1 to June 30) and are renewable annually, you can join/renew any time to show your support for STAR and the people we serve.
